And here's the memo. Sorry it took so long. I was out all morning and part of the afternoon. I don't have that much, just some editorial stuff and a couple questions about names of things. You don't need to run it by me again but I would like to know what Vactor and jetter trucks are (should the latter be capitalized?).

Have a good weekend, Steve,
Pam

Hey Pam,

Here is my review of CRW's NMC Plan. Can you please edit and provide comments. I am going to send the cover letter and enclosure to PADEP concurrently to save time.

I appreciate your assistance.
